GLENDALE'S PROTEST**A Strong Anti-Joint-Statehood Meeting Yesterday.**

The citizens of Glendale want no joint statehood. A very enthusiastic meeting was held there yesterday at which pretty much everybody in the neighborhood was present. The chairman was E. C. Bunch, the secretary E. E. Jack. The following gentlemen were appointed members of the committee on resolutions: V. E. Messinger, E. E. Jack and C. T. Walters.

There were several strong speeches against the proposition to admit the two territories as one state, after which the following resolutions were offered and enthusiastically adopted:

Whereas, A bill is proposed to be introduced into congress to admit Arizona and New Mexico into the union as one state, therefore, be it resolved, That we most earnestly protest against such union, that we

still cherish the hope that the privileges of the sovereign commonwealth to which our population and our resources entitle us may yet be ours and rather than accept the burdensome division of the doubtful benefit which would come out of joint statehood we would much prefer our present political condition of political isolation and territorial vassalage.

The following telegram was sent to Delegate Wilson last night:

J. F. Wilson, Delegate to Congress, Washington, D. C.—The citizens of Glendale, Arizona, in mass meeting most earnestly protest against the union of Arizona and New Mexico and rather than joint statehood would prefer to remain a territory.

(Signed) BUNCH, Chairman, JACK, Secretary.

THE P. & E. EXCURSION

Installation of Regular Passenger Service Tomorrow.

The sale of tickets yesterday and the talk on the streets indicated that the excursion to Florence today will be the largest excursion that was ever run out of this city. The train will leave here at 8:30 in the morning, city time and will return about 6 o'clock in the evening. Arrangements have been made to accommodate all who desire to go and the company feels sure that it has provided ample equipment. Some will take lunches, and it is announced that there will also be lunches sold on the train while the Florence restaurants no doubt will be prepared to accommodate a good many with warm meals if they are desired. But even if one had nothing to eat till he got home he would not starve and might be the better for the fast.

This incident will mark the installation of a regular passenger service on the Phoenix & Eastern and hereafter there will be one regular train each way daily, between Phoenix and Florence, while the two local trains between Phoenix and Mesa City will be continued. In the schedule printed below, the train leaving Phoenix at 8:45 a. m. and returning at 7:15 p. m. will be the through train that will run regularly to Florence. The others are the Mesa locals. The railroad is also ready for freight business, or will be Monday morning, when this schedule takes effect. The local freight rate between Phoenix and Florence will be 34 cents per hundred on less than car load lots on merchandise of the first, second, third and fourth classes.

The train schedule is as follows:
